

The Brain Injury Association of Washington (BIAWA)

The Brain Injury Association of Washington, a 501(c)3 private nonprofit, is determined that no one who has survived a brain injury or been affected by another

person's injury should have to face their condition alone. Our vision is a world where brain injury is prevented, and every person already affected by its impact bene-

fits from resources that maximize his/her quality of life. Our mission is to increase public awareness, support, and hope for those affected by brain injury through education, assistance, and advocacy.

Working together to create a better tomorrow...

The Washington Traumatic Brain Injury Resource Center

We are excited to announce the Washington TBI Resource Center: combining the Washington TBI Resource Line and the Washington Traumatic Brain Injury Resource Coordination Services (WATBIRCS), managed by the Brain Injury Association of Washington and offering expanded services beginning July 1, 2011.

In addition to Information & Referral, the TBI Resource Line will now offer the option of over-the-phone Resource Management.

Furthermore, in-person Resource Management has expanded to six county regions throughout the state:

Eastern: Stevens, Spokane and Whitman

Central: Kittitas, Grant, Benton and Yakima

Northwest: Whatcom, Skagit and Snohomish

King Plus: King and North Pierce

Western: South Pierce, Thurston and Kitsap

Southwest: Clark, Cowlitz and Lewis

The Washington TBI Resource Center

If you feel stuck...

- Applying for Social Security Benefits,
- Navigating the Medical System,
- Finding Legal Help,
- Talking to Loved Ones about Brain Injury,
- Facing Any Complex Issue Related to Brain Injury...

Call the Washington Traumatic Brain Injury Resource Center at **1-877-824-1766**

Resource Line Specialists are available from 9AM until 5PM, Monday through Friday. We assist callers as they face the myriad of obstacles that may arise as a result of brain injuries. We strive to provide the optimum level of compassionate care treating every caller's needs as worthy of our devotion.

Resource Management is a free service offered to persons with Traumatic Brain Injuries, their families and caregivers. Individuals have the option of over-the-phone or in-person assistance in the six county regions. Resource Managers will help connect them to resources and support in the community. Our goal is to improve the quality of life for persons with Traumatic Brain Injury by assisting them and their families to fill in the gaps of needed services.
